

# CO meter testo 317-3

The CO meter is suitable for measuring carbon monoxide in ambient air.

- No zero phase, device is immediately ready for use
- CO zeroing at site
- Alarm threshold freely adjustable
- Acoustic and optical alarm when limit value is exceeded

**Scope of supply:** CO meter, carrying case with belt clip, earphones, handstrap, calibration protocol

Measured range: 0 ... 1,999 ppm

Battery/rechargeable battery: 2 x 1.5 V, AAA

Type	Max. measured value	Type of auxiliary energy	PK	Cat. No.
testo 317-3	1999 ppm	Battery	1	6.232 307
